

Dear Participant:

Our Fall Mission Work Camps is an awesome ministry for you to take part in with your youth group.

Because this is an abbreviated version of our Summer Mission Work Camp, you can find out what a Mission Work Camp is really like--in a short amount of time. Then you and your group might decide to take part in a week long Mission Work Camp with us during a summer.

If you've already attended a PACE Summer Mission Work Camp, this weekend is a spiritual refresher and a reminder about what happened over the summer. This weekend continues the ministry of helping you put your faith into action.

Our Mission Work Camps are typically held at Christian Camps. They need your labor to support, continue, and expand their ministry to build up the Kingdom. The lodging for the weekend is in the cabins or bunk houses of the camp.

During the weekend, you will not only do work, but your spiritual life is given attention through personal devotions, worship times, and challenging messages by a keynote speaker. Additionally, your group may take time to get together and deal with your own spiritual emphasis about the weekend.

In Pennsylvania, by law, public schools are to allow students off from school for enrichment education, including Mission Work Camps, with parental permission. This allows you to take a day off from school to minister.

We do prefer that you enroll to come to our Fall Mission Work Camps with your youth group. To register, please submit the registration fee, Registration Forms, Medical & Liability Forms and Skill Sheets to your youth leader.

I am looking forward to you joining us for a weekend of ministry.

God bless,

*Sam Yeager*
